

Our hourly rates

With this pricing methodology the cost is entirely dependent on the time spent on your matter and therefore we have no way of knowing what the final, total cost will be. We will give you an estimate of cost based on our experience of dealing with matters similar to yours.

Choosing an hourly rate pricing method does include assumptions made at the outset, which may change over time and have a knock-on effect on the total cost. The hourly rate may be higher than those quoted below where for example the matter is of a very high value or extremely complicated.

Our current hourly rates are set depending on who is responsible for your matter, their role in the firm and their level of experience.

Role	Range
Director/Head of Department	£225 - £285
Associate/Senior Solicitor	£175 - £285
Solicitor	£155 - £195
Specialist	£155 - £225
Residential Conveyancer	£130 - £155
Trainee Solicitor	£130 - £155

All of our hourly rates exclude VAT.
